

SKIN CARE RECOMMENDATIONS

We strongly encourage consistent use of quality skin care products to all North Metro Dermatology patients. Healthy skin will be achieved and maintained by following the skin care program recommended below.

MORNING

- 1) CLEANSER
- 2) TONER
- 3) EYE CREAM
- 4) ANTIOXIDANT
- 5) MOISTURIZER
- 6) SUNSCREEN
- 7) MAKEUP

EVENING

- 1) CLEANSER
- 2) TONER
- 3) EYE CREAM
- 4) ANTI-AGING
- 5) MOISTURIZER

Please use the guide on the back page to select appropriate products for your skin type. Additional product information is available on our website. If pregnant or nursing, please consult your physician regarding use of skin care products. You may also schedule a complimentary consultation with our esthetician for help in customizing the optimal regimen, as well as for information on NMD Mineral Makeup, prescription products, and other specialty products, including acne, hair, body, and post-care treatment products.
