

North Metro Dermatology COVID 19 Precautions & Policies

As we continue to navigate the complexity of the COVID-19 pandemic, we at North Metro Dermatology remain committed to the safety of our patients and staff. We are following protocols in our office in accordance with CDC and Minnesota Department of Health guidelines. We will continue to monitor and adapt to developments regarding the COVID-19 virus, and we will provide updates accordingly.

Safety policies for patients:

Patients are recommended to re-schedule appointments if symptomatic or have tested positive. Symptoms of COVID-19 include but are not limited to fever, chills, cough, shortness of breath, sore throat, loss of taste or smell, diarrhea, abdominal pain, muscle aches, and/or red or bruised toes. You may reschedule your appointment for 5 days after symptoms appeared or if asymptomatic, you may reschedule your appointment for 5 days after your positive test date.

Patients are encouraged to complete forms ahead of the scheduled appointment to minimize unnecessary time in the office. Registration and medical history forms can be completed and submitted online through the website.

Patients are required to wear masks in the office. Exceptions are made for children younger than two years old as well as any documented medical reason. Please understand that we will require written documentation and verbal communication with your medical provider if you state that you are unable to wear a mask.

Safety precautions we have implemented at North Metro Dermatology:

Hand sanitizers are available in the waiting room, hallways, and patient exam rooms.

Patient exam rooms and surfaces are thoroughly cleaned between each patient.

Waiting rooms and surfaces are thoroughly cleaned daily.

Our staff is required to wear masks at all times.

Products can be purchased through our online shop or by phone order to minimize in-office purchasing.
